RV ROLL OF HONOUR
RV OUTSTANDING ACHIEVEMENT AWARD
立化卓越成绩奖

The RV Outstanding Achievement Award is presented to students who have demonstrated extraordinary achievement and exceptional drive in the pursuit of excellence in the respective areas of Leadership, VIA, Sports, Aesthetics and Bicultural Studies.

立化卓越成就奖是颁发给在领导能力、社区服务、体育运动、艺术表演以及双文化有杰出表现的学生成就。

OUTSTANDING STUDENT OF THE YEAR (SECONDARY)
立化杰出学生奖（中学）

MOON TEO
张甜悦 24J01

I am deeply humbled to be a recipient of this award, alongside my seniors. RV has always been a second home to me, providing a nurturing environment where I have been fortunate to engage in diverse co-curricular activities, academic programmes, and platforms to hone my leadership skills. Being exposed to different perspectives has enriched my experiences and broadened my understanding of the world. My interactions with my peers have also taught me how to be more understanding and empathetic.

Reflecting on my journey from when I first entered the school, I realise how much I have grown, both as a student and a leader. My growth thus far would not have been possible without the incredible support system around me. Balancing school work and my various commitments in and out of school was certainly not easy, but the encouragement of my peers and teachers, as well as the fond memories I share with them made my last four years special.

My achievements would also not have been possible without the unwavering support of my parents, who believed in me regardless of the decisions I made. Their faith in me has been a constant source of strength and motivation.

Despite the uncertainties of the future, I am committed to striving for excellence and making a positive impact.

RV OUTSTANDING LEADERSHIP AWARD

立化杰出领袖奖

LUTFIL HADI BIN ISKANDAR
22J07

As a JAE student, I did not know what to expect on my first day at RV. Despite the initial culture shock, I was pleasantly surprised by how welcoming my friends and teachers were, which helped me integrate into the school community quickly. I soon developed a strong sense of belonging and decided to contribute to the student body by joining the Junior College Student Council (JCSC). I promised myself to give my best effort in everything I do and pushed myself to be more open to new environments, people, and opportunities.

Fortunately, I was given the privilege of becoming President of the 44th JCSC. This role allowed me to share new ideas and collaborate with fellow student leaders on initiatives for the student body. Undeniably, there were many challenges, including managing the student body's expectations and also my own self-doubt. Constructive feedback inspired me to reflect on my leadership approach and find ways to better serve the Council. However, my close friends and teachers - a special shout-out to Ms. Kai - provided unwavering support and guidance, helping me maintain a positive outlook.

I am also incredibly grateful to the school leaders for listening to our ideas, and to my family for being the backbone of my achievements. I am immensely thankful to everyone who has been part of my journey at RV, and making my JC experience a wonderful one. I hope my story inspires others to pursue their goals without hesitation. My final piece of advice: just go for it.

RV OUTSTANDING LEADERSHIP AWARD

立化杰出领袖奖

GAN XI YEE
颜熙渝 22J08

Leadership has always been a core theme of my student life in RV. To be entrusted with various roles and responsibilities has been an integral part of my confidence building and it has honed my adaptability and critical thinking skills. I am grateful for the opportunities that RV has provided for me to build connections and bonds with fellow schoolmates.

I would like to extend my deepest gratitude towards Mr Zhou Peng, Ms Isabella Tay, Ms Hannah Tan and all the teachers who have witnessed my growth and development as a leader. Your selfless contributions and dedication to nurturing students have enabled me to strive to be a better leader. The stories you have shared and your invaluable guidance will be something I will carry forward as I progress to the next chapter of my life.

I am extremely thankful to my closest support system from the 44th Students' Council. They have provided me with unwavering support throughout my ups and downs. Thank you for tiding through the most difficult parts of my leadership journey with me, and for all the tears and laughter we have shared.

Last but not least, my parents and my elder sister have been my strongest pillars of support throughout my six years in RV. Thank you for your unconditional trust and your silent sacrifices. Your love and unwavering belief gave me the courage to pursue my goals and dreams.

We are a mosaic of the people we have met and the experiences that we have had. Thank you to RV for all the experiences that have shaped me as a leader today and I will forever be indebted to this safe space I call home.

RV OUTSTANDING VIA AWARD

立化杰出社区服务奖

KUAH SZE MIN, SHERMAINE
柯丝敏 22J09

Through volunteering, I have had the privilege of connecting with various individuals and communities in meaningful ways, witnessing firsthand the impact that even the smallest acts of kindness can have on others. This experience has deepened my understanding of empathy and reinforced my belief in the importance of giving back to society.

Volunteering isn't always easy. It requires time, effort, and sometimes stepping out of one's comfort zone. However, volunteering gave me a sense of refuge amidst the stressful JC life. It is fulfilling to know that our efforts are always a step towards positive change, no matter how incremental it may seem at the time.

I would like to extend my heartfelt thanks to the organisations and individuals within the community who have always welcomed us to volunteer and make a difference. Their collaboration and support have been invaluable in shaping my growth and contributing to the betterment of society. I am immensely grateful to my teachers, especially Ms Lam and Dr Koh, who believed in my abilities and judgement and for giving me their trust and the freedom to execute new projects for different beneficiaries as the President of Service Citizenship Society (SCS), and always providing me with opportunities to push me out of my comfort zone to grow and learn. I am grateful to have had the chance to work with my amazing batch mates, particularly in SCS and Boon Lay Countdown. My friends and family have supported and encouraged me throughout my volunteering journey and this sense of camaraderie has been instrumental in shaping my perspective and fueling my passion for service.

RV has inspired me to continue striving for excellence in service to others. It has reinforced the importance of empathy, dedication, and community values that I will carry with me far beyond my school years.

RV OUTSTANDING SPORTS AWARD

立化杰出体育奖

CHYANN CHEAH YU HAN
谢羽涵 22J20

I am honored to receive the RV Outstanding Sports Award, recognising my efforts as the captain of the RV Floorball CCA. This award is especially meaningful given the challenging A Division Seasons 2023, the most difficult period of my school life.

Reflecting on my journey as a sportsperson at RV, persistence was key. On the court, I continually pushed myself to perform my best, while off the court, I balanced demanding commitments. Balancing my training for floorball tournaments and the rigorous training for RV Street Dance in SYF 2023, I learned the value of perseverance and dedication.

As a team leader, I understood the importance of being a team player, respecting, and actively listening to my teammates. This fostered mutual understanding, camaraderie, and lasting friendships within the team.

This award is a collective achievement made possible by my teammates from the A Division Floorball Girls Team 2023. I thank them for trusting my leadership and motivating me. I am grateful to our coach, Stella, for grounding me as a leader and helping me realize my potential, and to the Floorball Teachers in-charge for their constant encouragement and support.

RV OUTSTANDING AESTHETICS AWARD 立化杰出艺术奖

SIEW WEN XIN
邵文馨 22J05

Six years in RV really flew by in the blink of an eye, and I am truly thankful for the support that I have gotten from all my teachers and the friendships that I have forged throughout this journey.

Having been part of River Valley Chinese Orchestra (RVCO) throughout my entire 6 years in RV, I feel that the time that I have spent in this CCA were some of my fondest memories in the school. I joined this CCA without much music background, but I was grateful for the supportive culture in RVCO, and elated that I picked up the skill of playing the Erhu, where my seniors and instructors would patiently guide us along the way, no matter how badly we played the instruments. RVCO was also where I met friends who stayed and supported me throughout my six years in RV. It was definitely not easy and at times stressful preparing for the various performances, especially for the Singapore Youth Festival, but I was glad to have section mates who are very encouraging and we motivated one another. I would say that I have never once regretted my commitment to RVCO because of the value of friendships I treasured.

RVCO has also given me opportunities to hone my leadership skills, and I am thankful to the teachers-in-charge of RVCO for believing in me. Being appointed as Vice-president of RVCO (JC) was the biggest responsibility that I had in RV. Though there were ups and downs during our term, I learnt a lot through this experience, such as the importance of effective communication. These skills have equipped me to embark on my next journey of higher learning. RVCO has played a part in shaping who I am today, and I am grateful for that.

RV OUTSTANDING BICULTURAL STUDIES STUDENT AWARD 立化杰出双文化奖

TANG XIAO TONG, CHRIS
唐筱彤 22J14

The past 4 years under the Bicultural Studies Programme (BSP) haven't been the most smooth sailing, but they have definitely been the most rewarding. Having lost many valuable opportunities to travel, I am immensely grateful to the school and teachers for still trying their best and organising different activities for us to participate in amidst the pandemic. The BSP has undoubtedly improved my critical thinking skills, constantly encouraging me to think outside the box and see things from multiple perspectives. I am truly thankful to my teachers for always being there for us, inspiring us to do our best, and to my friends for sticking by my side, accepting me for who I am. Last but not least, I would also like to thank my parents who believed in me and have always given me their unconditional support.

回想起五年前为了能够选修双文化课程而努力备考的自己，很庆幸自己虽然对接下来可能遇到的挑战一无所知，却依然做了这个勇敢的决定。双文化课程给予了我许多宝贵的机会与经验，不论是上课内容亦或是课外活动，都开拓了我的国际视野，培养了我的批判性思维，让我能够更成熟理性地看待这日益动荡的世界。

我很珍惜立化这六年来对我的栽培，也很感激老师们信任，让我成为双文化领袖学研中心的主席、让我能在大大小小的活动中担任司仪，也让我能够成为创办广播站《RVFM课间好时光》的一员。衷心地感谢立化为我们提供了良好的学习氛围，使我成为积极推广双文化的一份子。

我想借此机会感谢所有支持并帮助过我的老师，感谢老师的包容及耐心的教导，让我们能够在欢乐的氛围中学习。我也想感谢和我一起奋斗的朋友们，是这些小伙伴这一路上的陪伴，让我感受到了真正的“立化情”。最后，我想感谢永远都鼓励着我的家人，感谢他们对我无私的爱，陪伴着我成长。祝愿母校越来越好，也希望同学们都能够披荆斩棘，成为更好的自己，将来回馈母校。

RV STUDENT OF THE YEAR AWARD (JUNIOR COLLEGE)

立化杰出学生奖 (高中)

NG QI HENG
黃启恒 22J18

This award could not have been achieved without the support of others - the dedicated teachers and staff whose guidance extended beyond academics, encompassing social and life skills, the passionate seniors whose benevolent directions pointed us toward success, the compassionate friends and juniors whose support fuelled our midnight oil tanks. Mr Nabil, Ms Kai, Mr Chow, Jonathan Chew, Ziyu, Adriana, Min Kai, Zhong Ding, Eugenia, Cherry, pillars of support in their own ways. Thank you to everyone that was a part of my JC experience.

RV presents many opportunities, through CCAs, competitions and leadership roles. These opportunities hardly come served on a silver plate. Thus, the onus falls on us to scavenge our Instagram feeds and notice boards for every QR code hiding within the avalanche of publicity. Not all opportunities are well-known, but the obscurity of a one-off song-writing contest does not diminish its prestige. From experience, people seem to greatly respect competitions they have never heard of but with very long names; do as you wish with this information. JC life is short, so try everything it offers.

Taking on new challenges can lead to doubts of ability, doubts which are generally unfounded considering our arduous journey entering RV. Merely gaining admission to this school demanded some of the highest academic and co-curricular credentials in the country, credentials that remain intact even after enrollment. Regardless of any shortcomings, as leaders of distinction every RVian has that innate ability to succeed in whatever they are passionate about. Hence, it is important to pat yourself on the back today to ensure you can keep going on tomorrow.

SCHOOL SONG

校歌

海云漫漫 碧波荡荡
赤道绿洲 有我学堂
春风化雨 桃李成行
立德立功 化愚化顽
愿我学子 勿忘勿忘
他日我校 光芒万丈
愿我学子 勿忘勿忘
他日我校 光芒万丈
与日月争光兮
与天地共久长
