2025 GCE A-Level Results Release: Supporting Your Child/Ward

Dear Parents/Guardians,

The 2025 GCE A-level results will be released on 27 February 2026 (Friday). Regardless of the outcome, it is important for our teenagers to know that they are loved for who they are, and that their grades do not define them or their future. The social and emotional support you provide will be especially valuable in helping your child/ward better manage their emotions and be positive when deciding on the next steps.

Do take this opportunity to have further open conversations with your child/ward about their interests and choices so that they can make more considered and informed decisions on their pathways.

For more resources on providing social and emotional support, affirming your child/ward, and supporting your child's/ward's transition to post A-level education, you can refer to: <https://go.gov.sg/selresforparents>. You and your child/ward may also wish to refer to the *What's Next* pamphlet (<https://go.gov.sg/whats-next-alevel>) and available Education and Career Guidance (ECG) resources on the *MySkillsFuture* Student Portal (Pre-University) (<https://go.gov.sg/MySFPReU>). The attached information sheet contains useful tips and resources on supporting your child/ward.

For ECG counselling services, your child/ward may contact our ECG Counsellor, Mr Daryl Lim, or the ECG Centre @ MOE from 23 February until 19 March 2026.

We encourage all students to return to the school to collect their results. However, for students who are really unable to do so, they may access their results online via Singapore Examinations and Assessment Board's (SEAB) Candidates Portal at www.seab.gov.sg using their Singpass account from 3.15pm on 27 February 2026 (Friday).

Thank you very much for your partnership with the school and we continue to wish your child/ward all the very best.

Yours sincerely,

Mr Ng Hong Peng
Vice-Principal (JC)
